FUCINA DESIGN

Creative soul, passion for design and for technology are values that Tonino Lamborghini has been able to transform in a style, become synonymous of originality, of luxury, appreciated all over the world: typical Italian spirit that renders everything unique.

The students Davide Callisesi, Giulia Conti, Claudia Gallo, Luca Rosso and Maria Vedova attending at the 2nd of the two-years course of the ISIA Faenza (www.isiafaenza.it) have made themselves protagonists of a new project called "FUCINA DESIGN".

Coordinated by Professor Giorgio Gurioli, a world-wide renown designer, and by the Tonino Lamborghini staff, tested themselves on mature and innovative projects, taking inspiration from mechanics world, from Italian way of living and from Tonino Lamborghini brand.
